

Environmental Consultant List Qualified By Environmental Agency in the Emirate of Abu Dhabi

Please Note:

1. The order in which the consultancy offices appear in the list is not an indication of relative competence.
2. The inclusion of a consultancy office in the list does not indicate an automatic approval of the studies submitted. Rather, it shows that the listed office possess the minimum knowledge and experience needed to provide consultation in the approved fields.
3. Project designers and project managers are prohibited from rendering environmental consulting services to the projects they are designing or managing.
4. It is the responsibility of the owner and the project manager to ensure that the consultancy offices are registered in the appropriate fields of work.

***Class A** consultancy offices are eligible to undertake **all types of studies**, e.g., TORs, EIAs, SEAs, Site Pollution Assessments, PERs, Action Plans, CEMPs, OEMPs, DEMPs etc. for the industrial, development, and infrastructure sectors.

***Class B** consultancy offices are eligible to undertake all types of environmental studies for the **industrial sector only (new and existing facilities)**.

***Class C** consultancy offices are only eligible to undertake **Preliminary Environmental Reviews (PERs) for new industrial projects and Action Plans for existing industrial facilities**.
